

### **Luggage or Ski Racks**

We recommend the use of drip rail or trim strip mounted ski and roof racks. These racks do not require additional supports (suction cups or legs). Such supports may lead to marring of the paint or even denting of the roof if excessive weight is placed on the rack. Your authorized MERCEDES-BENZ dealer can give further advice.

### **Spare Parts Service**

All authorized MERCEDES-BENZ dealers maintain a stock of original spare parts required for maintenance and repair work. In addition, strategically located parts distribution centers provide quick and reliable parts service. More than 300,000 different spare parts, even for older models, are available.

MERCEDES-BENZ original spare parts are subjected to the most stringent quality inspections. Each part has been specifically developed, manufactured or selected for and adapted to MERCEDES-BENZ vehicles.

Therefore, MERCEDES-BENZ original spare parts should be installed.
