Service Campaign Bulletin

Service Campaign Bulleti

### **Service Campaign Bulletin**

Campaign No. 2023050003, October 2023

TO: ALL MERCEDES-BENZ CENTERS

SUBJECT: Model SL (232 platform)

Model Year 2022

**Place Trickle Charger in Trunk** 

Mercedes-Benz AG ("MBAG"), the manufacturer of Mercedes-Benz vehicles, has determined that on certain MY 2022 SL (232 platform) vehicles, after a longer non-operational time of greater than 42 days or with a battery charge of less than 45%, the following battery fault message might display in the instrument cluster: "Stop Vehicle See Operator's Manual, Switch on vehicle to charge the 12V battery", or "Stop vehicle To charge the 12 V battery do not switch off vehicle." As a customer convenience measure, an authorized Mercedes-Benz dealer will place a trickle charger in the vehicle's trunk.

#### Prior to performing this Campaign:

- VMI must be checked before performing campaigns to verify that the campaign is required on a specific vehicle. Always check for any other open campaigns, and perform accordingly.
- Please review the entire Campaign bulletin and follow the repair procedure exactly as described.

Approximately 5,204 vehicles are affected.

Order No. P-SC-2023050003
